To Whom it May Concern,

As the Director of the Lower School, I am writing on behalf of Angela Kadow, who has worked with me at Andrews Osborne Academy for two years as our Lower School General Music and Ensemble Teacher. Angela is a passionate, dedicated, knowledgeable teacher who sets the bar high for her students and works hard to help them grow and achieve success.

Angela's musical content knowledge is excellent, and she planned thorough well thought out lessons for her classes, using a variety of instruments, slideshows she put together, and more. She was always prepared for her classes. Her report cards reflected detailed understanding of each student and, as a strong writer, her comments were thoughtful and insightful.

Angela put together our holiday and spring concerts, which were all successful. She combined instrumental pieces on ukuleles and drums with choral pieces, showcasing her students' growth. In addition, Angela was a big supporter of all our arts at AOA. She attended all the plays and musical performances, supporting her colleagues and the older students.

I recommend Angela for a wide range of musical positions. Please reach out to me with any questions.

Best,

Theresa Frisbie

Lower School Director
